DW VMAX MOBILE SETUP FOR iOS

5

name the device, add channel group, and enter the info from your reference card.

A screenshot of the 'Add Device' screen in the DW VMAX mobile app. The screen is displayed on a tablet-like device with a home button at the bottom. The status bar at the top shows 'AT&T', '10:42 AM', and '79%' battery. The app header has a blue bar with a back arrow, 'Add Device', and a 'Save' button. The form contains several input fields: 'Name' (placeholder: Site Name), 'Ch.' (placeholder: Channel ex) 1-16 or 1,2,4), 'Address' (placeholder: Network URL), 'TCP Port' (placeholder: TCP Port), 'Web Port' (value: 80), 'UPNP Search' (with a right arrow), 'User ID' (placeholder: User ID), 'Password' (placeholder: User Password), and 'Model' (value: VMAX480).
